A Message from the Principal.....

March was full of surprises! The CISD Education Foundation Prize Patrol came to Libby on Friday, March 22nd revealing fourteen grants totaling \$37,960.17! Our students will be going on fantastic field trips, engaging in hands-on learning with new materials, experiencing flexible seating, and so much more! These grants were made possible through the hard work of the Carthage ISD Education Foundation – THANK YOU for your dedication to our students and staff!

Our students were given Benchmark Assessments during the months of February and March to see just how well they are mastering grade level skills. We have worked together to identify our strengths and deficits. We have narrowed our focus and created intervention groups where needed. Overall, we are super proud of our students and their hard work! If you have any questions regarding benchmark data, please feel free to stop by or give us a call.

On a final note, since many parents like to attend field trips, it is a good time to remind you of a few of our field trip rules. A more detailed list can be found in your Libby Elementary Student Handbook.

- You must complete a Criminal Background Check.
- You must not bring other children (siblings) on the trip.
- You must not go to the gift shop or concession stands.
- You must not smoke in the presence of children.
- You must take your own vehicle.

Thank you in advance for abiding by our guidelines! We look forward to these exciting days ahead!

Important Dates

A Message from the Counselor

GT testing begins this month!

Something to Think About:

**Always remember you are
BRAVER than you believe,
STRONGER than you seem and
SMARTER than you think!**
